A PORTFOLIO COMPANY OF REYNOLDA EQUITY PARTNERS

**ANNOUNCES NEW AFFILIATION WITH**

[Flagship Oral Surgery Partners, LLC](#) ("Flagship"), a portfolio company of Reynolda Equity Partners ("Reynolda"), announces a new affiliation with [South Florida Dental Implant and Facial Surgery Center](#) (the "Company").

Based in Charlotte, NC, Flagship is a leading management support organization supporting the oral surgery and prosthodontic dentistry sectors across the Southeastern United States. Flagship provides comprehensive non-clinical management and administrative services to its affiliated partners by supporting the business of healthcare – human resources, marketing, technology, finance, revenue cycle and others.

Led by doctors Michel Matouk and Carlo Guevara, the Ft. Lauderdale-based Company offers a full spectrum of restorative and cosmetic procedures, including dental implants, bone grafting, wisdom teeth extractions, oral pathology, orthognathic surgery, facial trauma surgery, and dermal fillers. The Company prides itself in providing compassionate care along with clear, educational communication about oral and maxillofacial surgery treatment options. The Company is dedicated to excellence in patient care, combining the most advanced techniques with state-of-the-art technology and unmatched, personalized service.

"Flagship is building the premier full-scope oral surgery platform to serve patients, surgeons, and their communities across the Southeast," said Jason Lockwood, President and CEO of Flagship. "The Company is an ideal partner for Flagship's vision, values and strategic growth, and represents Flagship's exciting expansion into the South Florida market."

"We are proud of what the team has accomplished and continues to build at Flagship," added [Marshall White](#), Managing Partner at Reynolda. "Entering the Florida market has been a goal, as we maintain our focus on the Southeast, and partnering with Dr. Matouk and Dr. Guevara is a great entry point for Flagship. Reynolda is excited to have them join the Flagship family."

Flagship now supports over 46 locations and approximately 74 providers. The affiliation with the Company allows for expansion of Flagship's clinical footprint, while strengthening Flagship's mission to support practices offering exceptional care to patients. Flagship continues to evaluate acquisition opportunities to further grow its footprint and services throughout the Southeast.
