Reynolda Equity Partners is excited to welcome Ben Roberts as our Investor Relations Associate. Ben joins us from Plexus Capital in Raleigh, NC, where he led the portfolio oversight team in performing risk management, valuations, and portfolio company and fund level reporting. Ben will support the Managing Partners in leading investor relations and fundraising initiatives at Reynolda. The addition of Ben to the team enhances our investor services function as Ben brings a wealth of experience in lower middle market portfolio analysis and management. Ben will have an integral role as we raise REP V, our fifth control buyout fund.
